**Communications and Disclosure:**

*Communications is a core CFO value. All communications reflect on CFO's regulatory role, image and business. As such, CFO will strive to provide relevant, honest, accurate and timely information to stakeholders about its performance and to make clear disclosures in all public reports. CFO is committed to communicating openly about its operations without compromising regulatory, proprietary and confidential information.*

**Forward Looking , "Safe Harbor" Statement:**

*This presentation may contain certain forward-looking statements. These forward-looking statements speak to conditions only as of the date on which these statements are made. CFO cautions stakeholders not to place undue reliance on any forward-looking statements as a number of factors could cause actual future results, conditions, actions or events to differ materially from the targets, expectations, estimates or intentions expressed in the forward-looking statements.*
